Missionary Disciples?”**

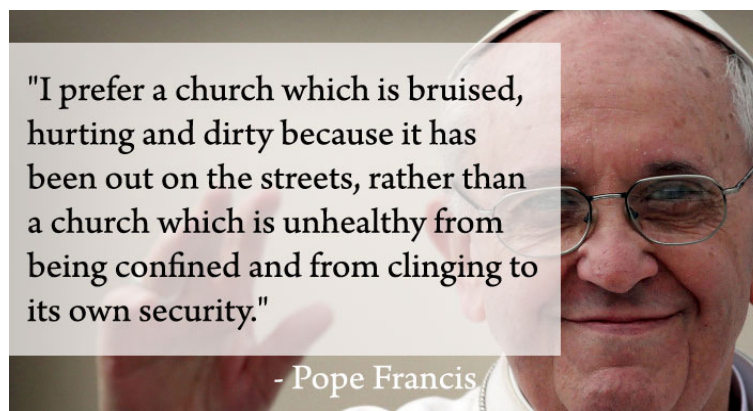

**Living in Faith**

“The parish is not principally a structure, a territory, nor a building, but rather the family of God, a fellowship afire with a unifying spirit, a familial and welcoming home, the community of the faithful”.

**John Paul II**

In anticipation of the Parish Assembly on 14<sup>th</sup> June, we want to know what sort of parish you want; what you want it to do, how it can make a difference in the community. What it should offer you; what is important to you, your children, your parents, your neighbour.

Be radical with your thinking; we dare you to dream of the parish you want; to think outside the box; to challenge convention.

Please use the back of this sheet to share your thoughts, dreams, and aspirations for our parish and wider community; maybe you could list three things that could make our community a special place. Thank you.

Christ has no body now on earth but yours, no hands but yours, no feet but yours;  
Yours are the eyes through which Christ's compassion is to look out to the earth.  
Yours are the feet by which He is to go about doing good  
and yours are the hands by which He is to bless us now.
